

Terms of Service

§1 General Provisions

1. The service consists of providing an activation key for software WINK Reset.
2. The client may be an individual or a company with full legal capacity.

§2 Activation Keys

1. The key is sent automatically to the email address provided during purchase.
2. The key is single-use. Once used in the software, the license is considered consumed.
3. The client is obligated to verify device compatibility with the software before making a payment.

§3 Liability and Technical Risk

1. The software performs direct modifications to the device's non-volatile memory (EEPROM) registers.
2. The user acknowledges that the reset procedure is performed at their own exclusive risk. The service provider is not liable for any hardware damage, firmware errors, or loss of manufacturer warranty resulting from the use of the software.
3. The reset process depends on device integrity and firmware version. The service provider does not guarantee the success of the operation in the event of mechanical damage to the absorber or incompatibility of the firmware version with the available tool.
4. Complaints regarding non-functional keys should be reported to: **technik404@gmail.com**.

2. Privacy Policy

§1 Data Collection

1. The data controller is the website owner.
2. We process only the data necessary to complete the transaction (email address, payment data processed by external operators).

§2 Use of Data

1. Data is used exclusively for sending the activation key and providing technical support.
2. Data is not shared with third parties for marketing purposes.

§3 Security

1. Payment operations are handled by certified payment gateways (in accordance with the PCI DSS standard).
2. The service provider does not store full payment card data on its own servers.
